Additional benefits

- Microchip included for cats.
- 10% discount on neutering, dental scale and polish under anaesthetic, additional anti-parasitic treatments, foods bought in the practice and animal health certificates for EU travel.
- 20% discount on primary vaccination courses if joining the plan within 2 days of vaccination.

Pet owners should speak to their vet to understand which parasiticides, dosages and frequency are most appropriate for their pet.

Sign-up today and start enjoying the benefits of the plan.
